

From: SunMedair Travel & Tourism Services
Ref. to: Recommendation for Mr. Silviu Runceanu

To whom it may concern:

We confirm that Silviu Runceanu having worked for Avantaj Net was our contact person in order to fulfil the graphic project of Sailand Cruises (part of SunMedair Travel&Tourism Services). As a web designer, was distinguished for his hard work, commitment and professionalism in the all the tasks that were assigned to him for this project.

Our initiative to offer yacht chartering services has entailed our collaboration for the development of company identity on the Internet through a website www.sailand.ro. Silviu Runceanu successfully completed the graphic project on Sailand Cruises, managing to give a fresh and exciting image to this website.

The professionalism and promptitude with which all of our requests have been answered convinced us that we can always rely on the services provided by him.

More of, Silviu Runceanu proved himself as a very organized person, who clearly sets priorities and works in a consistent and efficient manner towards accomplishment of his objectives. He is a self motivated person, never straying away from hard work, or challenging tasks and nevertheless knowing what team work is an important matter.

We would strongly recommend Silviu Runceanu to any company as a dedicated, responsible and talented graphic designer.
